

TBA CREDIT UNION

Large enough to serve you, small enough to care.

PRESIDENT'S MESSAGE

Time flies when you're having fun, especially during the summer months in Northern Michigan. If you want to spend more time at the beach and less time at the credit union, why not consider taking advantage of direct deposit?

The perfect time-saving solution, direct deposit is convenient and more secure than carrying a paper check. Funds are available for withdrawal the day your check is deposited and your transactions can be viewed online 24/7 using CU@home, TBA's online banking service.

Greek philosopher Theophrastus once said "Time is the most valuable thing a man can spend." Spend yours enjoying the lazy days of summer with family and friends and let TBA Credit Union handle the rest. For more information on direct deposit, visit us online at www.tbacu.com or stop by and see us on your way to the beach.

Enjoy!

Spirit Checks Raise Money for Schools

Parents, faculty, administrators and community members can now show their school pride by having school logos printed right on their TBA Credit Union checks! For each box of checks ordered with an imprint of your school's logo, TBA Credit Union will donate \$2 to your school! Unlike the work involved in fundraisers, this is an easy way to raise money for your school and gives your community an opportunity to show their support each time they write a check.

Participating schools include Traverse City, Kingsley, Elk Rapids, Kalkaska, Suttons Bay, Forest Area, and Northport. For more information about the Spirit Check program, please call Robin Ahart at 231-932-5035.

Kids' Day Swashbuckling fun for the whole family!

Shiver me timbers, mateys! Fun was had by over 200 buccaneers who visited the South Airport Branch on April 21 to celebrate the introduction of TBA Credit Union's three new youth packages. The pirate-themed event was hosted by Captain Hook and included activities throughout the day. Staff dressed like pirates and entertained guests with food, games, and lots of giveaways!

Each month, TBA will continue the celebration by hosting a regular Kids' Day event. Bring your children to any office on Wednesday, July 11 and enjoy cherry-flavored treats in honor of this year's National Cherry Festival.

New Online Banking Login

If you've logged in to online banking recently, you may have noticed a few changes! The updated look was introduced on May 21 and offers exciting new features including the ability to reset a forgotten or disabled password online. Giving members more control over internet banking, this is the first of several new security measures being taken this year to ensure your online experience is safe and secure.
